## My Vision for the Municipality of Kazabazua

- **Maintain affordable taxes** – Appropriate expenditure forecasting, budget planning and controlled spending.
- **Collaborate** – Consult, listen, consider and appropriately respond to the ideas, issues and concerns of all.
- **Manage municipal affairs** – Appropriately plan, execute and complete (existing and new) projects with available regional and provincial government grants, when available.
- **Plan for the future** – Work as a team for the future of this municipality.
